

## Honor Roll of Donors and Annual Report Fiscal Year 2020

July 2019 - June 2020

Rainbows United enhances the lives of children with **special needs** and their families by bringing together community resources and providing customized services.

**RAINBOWS**  
bringing potential to life

## President's Report

The past year has been a challenge for all. As we have navigated through COVID-19, Rainbows has kept three critical principles as our focus: 1) protect the well-being of our staff and individuals served; 2) maintain services; and 3) sustain the financial stability of Rainbows. We will continue to function in this way so services to more than 4,000 children and their families can continue in the years to come.

While there have been some tested times throughout Rainbows' history, Rainbows has succeeded because of the strong belief that these services are needed in our community and the commitment of donors who continue to support Rainbows in providing those services.

Thank you to our valued donors, our dedicated Board of Directors, talented staff, and the amazing families and their children whom we have the privilege of serving each day. It is because of these current individuals and those in the past that Rainbows United is able to celebrate 48 years of providing those services.
