

Sedgwick County Early Childhood Coordinating Council Strategic Plan 2021

Our Vision... *Bringing out the best in all children!*

Our Mission... *To connect young children and families to resources by improving access to services, educating the community, and speaking with a common voice.*

Our Values... *We believe that **investing** in the early years has the greatest impact on our children's future.*

We believe that every child and family deserves...

*...to live and learn in a **safe, nurturing, and culturally responsive environment.***

*...to be treated with **dignity.***

*...to have **access** to quality health care and community resources.*

*...an equal **opportunity** to succeed.*

*...an **advocate** to give voice to needs and concerns.*

*We believe that working in **collaboration**, we increase our power to **affect change** on behalf of young children and families.*

Our Goals...

Parents and community partners speak with a collective **VOICE** to advocate the importance of early childhood services to our community.

Children, families, educators, providers and leaders are **CONNECTED** to community resources.

The SCECCC has an efficient structure and reflects the diversity of the community through continuous **COUNCIL DEVELOPMENT.**
