

Honor Roll of Donors and Annual Report

Fiscal Year 2021 (July 2020 – June 2021)

Rainbows United, Inc. enhances the lives of children with special needs and their families by bringing together community resources and providing customized services.

RAINBOWS
bringing potential to life

President's Report

As we have navigated through COVID-19, Rainbows has kept three critical principles as our focus:

1) protect the well-being of our staff and individuals served; 2) maintain services; and 3) sustain the financial stability of Rainbows. We will continue to function in this way so services to more than 4,200 children and their families can continue in the years to come.

Besides increasing the number of children and families served – even during a pandemic, Rainbows has been able to pay off our remaining debt. This is huge for us and has only been possible because of the wonderful support Rainbows receives. While there have been some tested times throughout Rainbows' history, Rainbows has succeeded because of the strong belief that these services are needed in our communities and the commitment of donors who continue to support Rainbows in providing those services.

Thank you to our valued donors, our dedicated Board of Directors, talented staff, and the amazing families and their children whom we have the privilege of serving each day. It is because of these current individuals and those in the past that Rainbows United is able to celebrate 49 years of providing vital services.

Deb Voth, President

"There is no other place like Rainbows for younger children in Wichita, that building stands for children like Munroe.

Thank you from me, from my family, for everything."
– Tatum, Munroe's Mother
