Fiscal Year 2022 (July 2021 – June 2022)

**RAINBOWS**  
50 years of empowering  
children & families

Rainbows United, Inc. enhances the lives of children with special needs and their families by bringing together community resources and providing customized services.

## President's Report

What a year FY2022 has been! Our dedicated and talented team of professionals provided services to more than 3,700 children in Sedgwick, Butler, and Sumner Counties, celebrated 50 years of Rainbows' history, bid farewell to our beloved President Deb Voth as she retired, and held a record-breaking Fashion Passion fundraiser. All of this, among many other successful Rainbows' activities, demonstrates our commitment to our community and those we serve.

What does the next 50 years hold for Rainbows? Our Board of Directors and Executive Leadership Team are participating in a Strategic Planning process to guide the way for the next 3-5 years. In preparation we've done an in-depth program and financial analysis on the last three years of services. We're excited to examine how we've evolved and where we are headed as we continue our mission of enhancing the lives of children with special needs and their families. I'm honored to be serving in the role of president as we embark on this process and implement the initiatives identified to move Rainbows forward.

We are grateful for those who allow us to thrive – children and families served, donors, Board members, staff, volunteers, and community partners. You share our vision and make it possible for us to continue to provide vital services. Thank you for your dedication and generous support.
